

AURA FLOOR LIFTER

The Aura Floor Lifter is designed for high-demand care environments where flexibility, safety and ease of use are essential. Its sleek aluminium frame weighs just 38kg, while supporting a high safe working load of up to 250kg. A key point of difference is the curved mast and generous lifting range, which allows for extended reach. This is particularly useful for king single beds, commonly found in care facilities. The compact base improves manoeuvrability, making the Aura Floor Lifter a practical choice for busy healthcare settings.

0° TiMOTION®

Bonus Second TiMotion Battery and External Charging Cradle
Enables off-unit charging to keep the lifter continuously operational.

Battery, Handset, and Cables

38kg Lightweight Aluminium Frame

Supports a 250kg safe working load, even at maximum extension, making it a standout in its class.

Smart Handset

With battery levels and service status indicators, supports efficient product servicing.

Curved Ergonomic Frame & Sling Bar

Enhances reach and user headroom, ideal for transfers from king single beds or around bulky furniture in tight spaces.

Emergency Lowering and Stop Functions

Built-in safeguards in case of power or system failures.

True-floor Lift Capability

Enables safe, solo-carer lifts from the floor, essential for fall recoveries and emergency care.

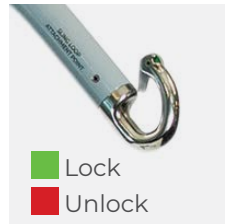

Durable Leg Shrouds

Replaceable covers protect components when navigating under beds and furniture, maintaining the product's appearance.

Powered-leg Opening and Twin Castors

Easy to manoeuvre, enhances stability and positioning during transfers.

Colour-coded Sling Locks

Patented design enables quick visual checks for safer, more confident transfers.

ACCESSORIES

4-point Sling Bar

Enhances stability and precision, especially for bariatric users.

Product Code: LSS361000

Weigh Scale Sling Bar

Supports efficient weight assessments.

Product Code: LSS390690

Powered Pivot Frame

Enables smoother transfers through natural positioning, reducing strain on users' joints.

Product Code: LSS391250

Broad Sling Compatibility

Compatible with a range of Aspire Slings.

See our Sling Fitting and Safe Use Guide for full details
