## Standing Lifter Sling Bar with Clips – Now Available!

Aidacare Aspire 200S Standing Lifters are now able to be used with Clip Slings.

We have developed a new boom attachment which is easily retrofittable for customers who prefer to use clip slings as opposed to loop slings.

### PRODUCT FEATURES

- New optional sling bar features sling clip pins to accept clip slings
- One-for-one swap of existing sling bar converts stander to accept clip slings only (retro-fit)
- Low additional cost for the customer
