# STAND UP DAY CHAIR

Enjoy support and style with the Stand Up Day Chair which provides intuitive standing and sitting assistance and support without the need for electrical power.

- **Works without power**  
Powered by a mechanical system, no electricity required.
- **Spring-Assist System**  
Helps gently lift to standing and lower when sitting down.
- **Adjustable lift strength**  
Adjust the lift force to match your comfort needs.
- **Built to Last**  
Tested to ensure reliable performance over time.
- **Supports Joint Health**  
Designed to reduce knee strain, making standing easier.
- **Easy Transitions**  
Move easily between sitting and standing to stay active.
