

WHILL Model F

WHILL

ALWAYS FOLLOW THE DIRECTIONS FOR USE

Exclusively distributed by

The Perfect Powered Wheelchair Has Arrived.

Lightweight, foldable, maneuverable. The Model F allows you to explore your world with greater mobility and independence.

Experience the same performance and smart technology that WHILL is known for with a new foldable design.

Foldable Design

Easily transport the Model F on buses, trains, and planes – or in the trunk of a car or taxi.*

When not in use, the Model F can be conveniently stored in a closet or an out-of-the-way corner of the room.

*Model F is not to be used as a seat while it is being transported. The information contained herein is correct at the time of printing, and we reserve the right to alter specifications without prior notice.

Lightweight

Weighing only 24kg, the Model F is one of the lightest power chairs on the market today.**

Top Speed

Range

Obstacle Clearance

780mm turning radius for tight turns

Connect Intelligently

The WHILL app allows you to check key device information and drive the Model F remotely.

Drive remotely, lock/unlock, and manage speed settings via the WHILL smartphone app.

Drive with Peace of Mind

Stay engaged in activities and embrace your surroundings knowing the Model F will keep you safe while you ride.

Safely drives up or down 10° slopes.

**Weight is 26.7kg, if battery is not removed. Battery weighs 2.7kg.

Note: Driving range of 20kms will vary due to user weight, drive surface, terrain, ambient temperature, speed setting, and battery charge and condition.
